

QuickBooks for Windows Upgrade Instructions

QuickBooks for Windows 2013–2015

Direct Connect Customers

Introduction

As **Bank of American Fork** completes its Bill Pay system upgrade, you will need to modify your QuickBooks settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive. To complete these instructions, you will need your **[User ID and Password]** for the **Bank of American Fork Online Banking interface**.

NOTE: Direct Connect may require registration. Please contact **Bank of American Fork** to verify your Direct Connect login information.

It is important that you perform the following instructions exactly as described and in the order presented. If you do not, your service may stop functioning properly. This conversion should take 15–30 minutes.

This detour symbol indicates section instructions that are using bill pay within QuickBooks only. If you do **not** use QuickBooks to make online bill payments, you can skip these sections or steps.

Documentation and Procedures

IMPORTANT: Tasks 1 through 5 must be completed no later than 3:30 p.m. (MT) on Friday, September 25th, 2015.

Task 1: Conversion Preparation

1. Backup your data file. For instructions to back up your data file, choose **Help menu > QuickBooks Help**. Search for **Back Up** and follow the instructions.
2. Download the latest QuickBooks update. For instructions to download an update, choose **Help menu > QuickBooks Help**. Search for **Update QuickBooks**, then select **Update QuickBooks** and follow the instructions.

IMPORTANT: If multiple computers do not use the same QuickBooks data file, skip step 3. QuickBooks activities such as **Online Banking** cannot be performed in multi-user mode because of the way the activities interact with a company data file.
